*From the moment I joined, I knew this was something special. **Within just 10 months I have over £3,000.00 GBP of lottery winnings** in my bank account, I am now enjoying a regular additional income, and weekly **wins keep happening.***

*The success I've had so far has been largely due to simply speaking to other people. The Lotto is a popular product which everybody is familiar with — and that certainly helps.*

Let's hear from another of our members ...

## Maureen Bell – England

*I joined **Virtual World Direct** on 27th September 2002 **and won on the 28th** - what a start! Shortly after joining I went to Australia and two of my relatives joined and both of them won £236 within their first 2 weeks.*

***With 21 wins totalling £214.06**, I am absolutely delighted, especially as I belonged to an ordinary syndicate of 15 for 5 years paying £5 a week for Saturday only — we won nothing!*

*It is not difficult to see why I am over the moon with the e-Lottery System, playing twice a week for the same money but with a constant winning pattern.*

**VWD** is the **ONLY** opportunity in the world where you can become a member and **enjoy tax free winnings the very same day!** - At **VWD** HQ in England we receive e-mails every day from members who express their joy at seeing that they had wins in the lottery!
